KINDNESS

ROCK GARDEN

TAKE ONE for inspiration

SHARE ONE for motivation

LEAVE ONE to help our garden grow

#PEGGYROCKS

How this works....

Simply paint rocks with a design or quote or anything that makes you smile or provides inspiration- and receive service hours.

Record your information on the this form, and bring it with you when you drop off your kindness stones. Within a few days you will receive a letter via email confirming your service hours.

Earn 2 bonus hours: Make an instructional video of you creating your project and send it to: education@peggyadams.org

Name:

Address:

Phone:

Email:

Number of rocks painted:

Hours Completed:
(1 hour for every 5 rocks)

Did you submit an instructional video?

Where to bring the painted rocks? The Kindness Rock Garden is located in front of the Adoption Center (first building on the left when you enter off of Military Trail.) The Garden is on the right corner if you are facing the entrance to the Adoption Center. Please bring this form inside and leave with the reception desk after you "plant" your kindness stones in the garden.

Thank you!!

Step 1:
pick a rock
any rock... or
even a shell

The background of the image is a dark surface covered with various paint palettes and splatters. The palettes are circular and contain different colors of paint, including orange, yellow, red, green, and blue. Some of the paint is splattered onto the dark surface, creating a colorful, abstract pattern. A large, semi-transparent grey circle is overlaid on the center of the image, containing the text.

Step 2: gather supplies

**paint with a brush & paints
or paint with paint pens
(or both)**

**Step 3:
get to work**

**don't forget to add
#PeggyRocks
on the under side**

**Step 4:
let it dry**

A close-up photograph of a person's hand holding a paintbrush with a blue handle and gold ferrule, applying white paint to a triangular rock. The rock is resting on a dark, textured wooden surface. To the left, there is a white paint palette with four wells containing yellow, red, and white paint. Another rock is visible to the left of the painted rock. In the bottom right corner, there is a white spray can with a red nozzle and a red cap.

Step 5: seal it!

use spray sealant or even
mod podge to coat.

Step 6: place it in the garden

**The Kindness Rock Garden is
located in front of the
Adoption Center to your right
if you are facing the building.**

Step 7: need service hours?

**Peggy Adams will grant 1 service
hour for every 5 rocks.
just fill out and return the form**
