## Ingredients

1 cup pumpkin puree

¼ cup peanut butter\*

\*Make sure peanut butter  
does not contain Xylitol!

¼ cup milk

3 cups oats divided

2 ½ cups in one bowl

½ cups in another bowl

½ tsp. Cinnamon

# Cinnamon Oat Dog Treats

## Instructions

1. Dump the pumpkin, milk, peanut butter and cinnamon together and use a hand mixer until fully blended
2. Gradually pour and mix the 2 ½ cup of oats into the mixing bowl. Make sure to pour and mix only a little at a time otherwise the mix will get clumpy. The mixture will be stiff and thick once fully blended.
3. Roll the mixture into various size balls depending on the size of your dog(s). Then roll them and coat them in the ½ cup of oats. Put the finished treats in a separate container
4. Finally, seal the container and let the treats sit in the fridge for about an hour to fully set!
